## BASE OPS AT PAGE FIELD • FORT MYERS, FL (FMY)

Base Ops at Page Field, formerly the Aviation Center, has a brand new terminal that reflects Page Field's rich military history as a World War II training base. Employees worked closely with local historians to design displays of military artifacts to illustrate the airport's military heritage. Murals were created from actual photos taken at the Page Field

training base during World War II and a full-scale model of a P-51 Mustang is suspended from the ceiling. Base Ops at Page Field offers competitive fuel prices, complimentary ground services, and a myriad of amenities. Visit today and experience the difference.
