**TAMPA INTERNATIONAL JET CENTER
TAMPA, FL (TPA)**

Avfuel welcomes Tampa International Jet Center to the strongest network of FBOs.

Tampa International Jet Center represents the new standard for corporate aviation support with first-class service. As an independent FBO, TIJC has the freedom to meet customers' varying needs without pressure from a parent organization or any other agenda. This allows TIJC to provide its own brand of personalized service at a fair value to customers.

Tampa International Jet Center's state-of-the-art facilities are designed around one goal - to exceed the expectations of the most discriminating flyers even down to the smallest detail.

Global Supplier of Aviation Fuel and Services
