

JUNE/JULY 2011

## UPCOMING EVENTS

### WHO'S GOING TO EAA AIRVENTURE?

Oshkosh, WI July 25-31, 2011

Avfuel is! We'll be at the AVCLUB at the Jack Mark Welcome Hangar. Cool down in the air conditioning and enjoy food, beverages, and even ice cream. Avfuel staffers and volunteers will be on hand to provide attendees with show passes, transportation, rental car assistance and the "little things" that come in handy. Many of the airshow performers park in the Jack Mark Hangar – see their planes up close through the glass. We'll be there all week – stop by and say hello!

### NBAA ANNUAL MEETING AND CONVENTION

Las Vegas, NV

October 10-12, 2011

We love meeting pilots and flight departments – and there's no better place to connect than the NBAA Annual Meeting and Convention. Avfuel will be in the thick of the action on the exhibit floor, educating the business aviation world about what we do and – most importantly – why we do it. Be sure to stop by!
