More AVTRIP FBOs = more point opportunities

Visit these fantastic new additions to the ever-expanding AVTRIP network – whether you're flying in the United States or hopping across the proverbial pond, we've got points for you:

Jet Systems (HPN), White Plains, NY

Jet Systems provides guests of HPN with a first-rate FBO experience. The sophisticated environment, highly-trained staff and personalized service combined with the capability to accommodate large business jets and easy access to New York City make this FBO a favorite of corporate travelers. [Click here to read more](#)

Eurojet Aviation (EGAC/BHD), Belfast, Ireland

Eurojet Aviation offers passengers and flight crews visiting the George Best City Airport a luxurious and relaxing sanctuary and comprehensive VIP aircraft handling services. [Click here to read more.](#)

Post for Points!

Want to earn 250 AVTRIP points – the easy way? Post a picture of you, your plane, or anything aviation related at an Avfuel-branded dealer (try to get the sign in the photo!) to the [Avfuel Facebook page](#) with a short comment describing where you are and the last four digits of your AVTRIP number, and we'll automatically award you 250 AVTRIP points.

How simple is that? Post away!

Meet Sonoma Jet Center!

October 15, 2011, 10:00 a.m. – 2:00 p.m.

Sonoma Jet Center will host its second annual Open House at the Charles M. Schulz-Sonoma County Airport on October 15. The event is free and open to the public.

"Our open house is an opportunity for everyone in Sonoma County to come out and enjoy the best of what the Sonoma County Airport has to offer," said Josh Hochberg, owner of Sonoma Jet Center. "Whether you are an experienced aviator or someone who looks longingly at the sky wishing to fly, we'll have something for everyone."

Highlights of the open house include free airplane rides for children ages 8-17 (reservation required), a wide variety of aircraft on display, workshops and flying demonstrations along with door prizes, contests, and children's activities. [Click here for more information.](#)

We know you love planes – but do you like *boats*, too?

FEATURED DEALERS

Lake Texoma Jet Center (GYI) • Denison, TX

Conveniently located 60 miles north of Dallas near the Texas/Oklahoma border, Lake Texoma Jet Center is the fuel stop you've been looking for. This premier facility provides dependable product, fast turn times and competitive "No Bull" pricing. The recently resurfaced 9,000' x 150' runway makes the airport accessible to aircraft of every size. Pilots and passengers alike will be impressed with the range of services and amenities, including on-site car rentals, expert maintenance, hangar leasing, lounges, catering, and more. Visit the FBO where customer satisfaction is a #1 priority and every turn is a quick turn!

[www.texomajet.com](#) / 877-383-2666

Morgantown Municipal Airport (MGW) • Morgantown, WV

Recognized as one of the "best small cities in the country," Morgantown serves as a gateway to Washington, D.C. Daily multiple departures from Morgantown Municipal Airport to Dulles International Airport (IAD) ensure that travelers have full access to all that the nation's capital offers. Pilots and passengers will be impressed by the full array of ground services, aircraft ground handling, sale of fuel and oil, hanger and tie-down space and pilot-planning services. The long runways can accommodate large aircraft as well as small.
