

IT'S AVTRIP. ACCELERATED.

NEW YEAR, MORE POINTS: IT'S AVTRIP. ACCELERATED.

We're thrilled to announce an exciting amplification to the AVTRIP program – allowing you to **COLLECT POINTS AND AWARDS EVEN FASTER!**

Now...

- AVTRIP helps you get to your award faster by accelerating your points at an annual rate of 8%, 10% or 12% compounded quarterly.
- AVTRIP lets you choose how often you receive your award – every quarter, every year or every three years.
- For every increment of 5,000 AVTRIP Points you have in your account, you'll be awarded \$25 instead of a US Savings Bond.

Nothing else has changed: you have the same account number, same card, and same easy process at the FBO – the only difference is you're racking up **MORE POINTS!**
