New Sale

AVTRIP Points

Customer Lookup

To begin, select “Products and Pricing” from the top navigation bar or the “Products and Pricing” button from main menu buttons.

Note

The custom product must be added first in “Add Products” before it can be viewed in “Custom Products” Menu.

Select “Add Products”

Account: 2985 - Merchant Training Account (Switch Account)

The screenshot shows the AVFUEL dashboard with a navigation bar at the top. The 'Products and Pricing' menu is open, and the 'Add Products' option is highlighted. A large black arrow points from a text box at the bottom to the 'Add Products' option. The dashboard also features several main menu buttons: Transactions, Customer Profiles, Merchant Account, AVTRIP Promotions, and Products and Pricing. On the right side, there is a 'quickLINKS' section with buttons for New Sale, AVTRIP Points, and Customer Lookup.

Select “Add Products” from the “Products and Pricing” menu in the top navigation bar or the “Products and Pricing” button from the main menu buttons.

Base Price

Selecting “Miscellaneous” allows for a description to be entered for the product. Type in the name of the custom product. You may input a value for cost, markup and base price if desired.

Add

Add & Apply Tax

Note

Only 15 custom products can be added under Miscellaneous. 30 custom products can be added under Oil, Parts, and Pilots Supplies, and 10 custom products can be added under Ramp Fee. To add another product under one of the custom products once the limit is reached, one of the current products must be removed.
